

**VSPM Academy of Higher Education, Nagpur**

**Jawaharlal Nehru Arts, Commerce & Science College, Wadi**

**Perspective Plan (2018-19 to 2023-24)**

The college IQAC has undertaken the task of designing the perspective plan of the college. The different criterion indicators decided by NAAC has been taken into consideration as the quality parameters to prepare the perspective plan.

As an institution imparting quality education in the field of Arts, Commerce & Science, it aims to establish a quality system entrenched with a conscious, consistence and planed action.

**Vision:** *To create a centre of academic excellence in the field of higher education for students and equip them to be good responsible citizens of the country by developing in them skills and competencies necessary for self-employment and values necessary for life. The students going out of the college should be intellectually enlightened, emotionally sound and practically efficient.*

**Mission:** *To develop human resource with higher education, right skills, strength of character and positive attitude. The college endeavours to inculcate global competencies among students to meet rapidly changing global challenges by disseminating quality education to rural youths to foster development of the rural areas.*

## **Perspective Plan**

- *The institute aims to create an empowering academic environment for students by implementing student centric activities like group discussion, interviews, quiz, seminars and presentations.*
- *To uphold good academic performance through learner centric and effective teaching learning process*
- *Organisation of academic programs should be increased to encourage student participation in order to make them self-reliant and confident.*
- *As a social responsibility the institute will focus more on grooming responsible citizens of the nation.*
- 
- *Students will be prepared for global challenges by disseminating knowledge of recent trends.*
- *The institute aims to impart skill enhancing education to generate employability and to motivate them for self-employment.*
- *Holistic development of the students will be the main focus of the institute to inculcate strength of character and positive attitude by organising more cultural activities in the college and also on inter-collegiate level.*
- *Focus will be on gender equity and gender sensitization programmes to create awareness, respect and sense of equality regarding the women and their issues.*
- *The institute plans to establish Research centre for Commerce and centre of distance-education for higher studies*

- *To increase collaboration with industries & other non-government organizations to create employment opportunities for the students.*
- *Projects like green campus, waste water treatment, and solid waste management will be implemented to create awareness as well as an eco-friendly environment in the institute.*
- *To implement earn and learn scheme for students.*
