To,

Respected Sir/Madam

Sub: Event to showcase launch of Jio True 5G Services in the college campus

Dear Sir

5G is a revolutionary technology that is set to transform India and her citizens. The impact is going to be especially great for young India. As one of the foremost campuses in the country, 5G will bring huge benefits to the **Institute of Technology & Engineering** College Campus and its students.

Jio is the largest telecom company in India with over 400 Mn customers and the only operator to launch True 5G Services on Stand Alone technology.

We are LIVE with True 5G in over 6256 cities and towns in India and are delivering the benefits of True 5G to millions of Indians. Jio True 5G is live in your city and in your campus. We have deployed True 5G in 250+ sites in and around your College Campus and deployed seamless Fiber Network to ensure lightning-fast connectivity.

It would be an honor for us to formally launch True 5G in your campus and demonstrate the benefits of True 5G to the students and faculty at the campus.

We would be privileged to certify College Campus as a "**Jio True 5G Certified Campus**". We believe this would contribute to be a strong differentiator for College campus and would raise the importance of the campus in students' minds even more.

True 5G services are currently free for all customers as a promotional offer. Hence, students and faculty can enjoy True 5G benefits to the fullest extent. Additionally, Jio is also providing some unique compelling offers on handsets and lifestyle products to the students and staff of the college, which we would share further during the event.

Our objective is to help the students get a complete understanding of how True 5G would benefit them greatly and also ensure long term partnership with your esteemed campus.

We would be delighted to be invited for an event on campus and look forward to your kind response.

Thanking you,

Sh Sachin Oza

& Science College, Wadi Road,
Nagpur.

Dear Sir/ Madam

Virohan Institute of Health & Management Sciences is a NSDC & IMA affiliated Training Partner brought to Nagpur by NECO Group of Industries.

We enable colleges in getting job placements for their students in hospitals by providing vocational training programmes on-or-off campus.

We offer certificate & diploma programs in healthcare with attractive finance options along with 6 month scholarship programmes financed by GE Healthcare and Tata Trust.

We intend to fill the gap between the skill required by the industry and college students looking for a fulfilling career. Our curriculum is designed by Medical Professionals from leading hospitals such as AIIMS, Fortis etc and all our faculty are experienced healthcare professionals from their respective fields. We have trained more than 1100 students over the last 3 years with more than 90% job placement.

Our local hospital partners include CARE Hospital, ICON Hospital, Kunal Hospital, Sunflower Hospital, Sushrut Institute of Medical Sciences, Lata Mangeshkar Hospital etc as well as multiple diagnostic and pathology labs.

We are interested in a formal tie-up with your prestigious college in order to get your students their dream career in healthcare.

Warm Regards,

Anant Shinde
